The second beacon of the approaching 2010 summer took place June 19th, 2010, on Surf Avenue in Coney Island, Brooklyn, NY. The King Neptune of the 2010 parade was musician/performance artist Lou Reed and Queen Mermaid his wife, and fellow musician/performance artist, Laurie Anderson. FEARS was on the route to capture some of the parade's memorable moments that has begun to take on the spectacle of a Mardi Gras parade.
